

# Language Stars at Sunrise Valley Elementary School

## French 2017

Bring the world to your school.

## Add Foreign Language To Their School Year!

- Our students are engaged and learn through hundreds of fun group activities, games, art projects, and songs!
- Our students consistently demonstrate overall verbal improvement and enhanced problem-solving skills.
- Teachers provide age-appropriate workbooks with optional at-home activities.
- Our students are immersed 100% in a new language which helps them learn it faster and more easily.
- Our online Student Center includes recordings of our weekly lessons so families can practice together at home.
- Children gain global communication skills through exposure to native accents and other cultures.
